TERRAINS AND MAPS

Prologue, Nida, Forest middle distance. (Event Centre coordinates will be provided later)

Start 1, Juodkrantė town with an adjacent forest area (Event Centre coordinates 55.535277, 21.118401)

LONGER SPRINT. Yes, a **NEW SPRINT MAP** and courses with route choices between houses, interesting details in hotel-type architecture, and of course, as always, challenging orienteering when entering the nearby forest. You will need to vary your running speed and enjoy being in a beautiful piece of nature. Event Centre is in a scenic place by the Curonian Lagoon.

Map by Edgaras Voveris, 2026, courses also by him. Map scale

1:4000, 1:3000, contours 2.5 m.

Winning time 25–30 min.

Example of an old map area ---

Start 2, Preila (Event Centre coordinates 55.378875, 21.033520)

Classic distance. Terrain: swampy-dry areas with many small hills and knolls, sometimes very limited visibility, and micro-dune relief forms. Event Centre is on the beach by the sea...

Map by R. Sereika, updated for the event in 2026, with some completely new

areas; courses by E. Voveris. Map scales 1:7500, 1:5000, contours 2.5 m.

Winning time 50 min.

Start 3, Nida (Event Centre coordinates 55.301315,20.976845).

Longer middle distance. Open, „GOLD“ sand dunes and beach dunes. Various terrain sections will offer diversity: scenic open areas, technically difficult areas with slope forms, and beach dunes overgrown with mountain pine. Vegetation will create strongly differing visibility conditions and provide very varied orienteering enjoyment. Event Centre is next to the sea.

Map drawn by E. Kukenys, to be updated in 2026; courses by E. Voveris.
