DZŪKIJA 2027 – 3 DAYS

About the Event

We are organising this three-day orienteering event for the second time, with the aim of showcasing the wonderful opportunities for orienteering in the beautiful Dzūkija region!

Three competition days, three different terrains – exciting challenges even for the most discerning orienteering enthusiasts!

Exceptional orienteering terrain, magnificent Dzūkija forests and interesting courses offer a perfect opportunity to combine sport with quality time outdoors with your family.

A tent campsite will also be available for participants in Marcinkonys, by Lake Kastinis.

Come and discover the beauty of Dzūkija's forests and experience the true joy of orienteering!

TERRAIN AND MAPS

Stage 1, Versminis (Event Centre coordinates: 54.109443, 24.397333)

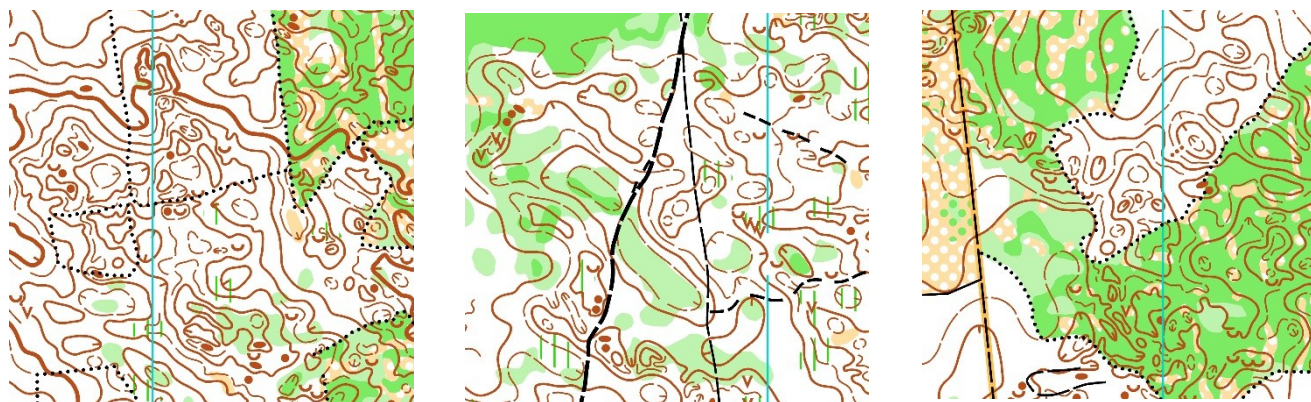

Middle Distance. Beautiful and highly interesting orienteering terrain with significant variations in forest runnability and visibility. Mature pine forest with picturesque dune microrelief alternates with dense young woodland, creating varied navigation conditions.

Expect the full pleasure of orienteering: beautiful nature, distinctive terrain and demanding navigation. Numerous similar, parallel landforms will require particular attention, precise map reading and the ability to choose the best route.

A brand-new map and entirely new terrain never previously used for orienteering competitions!

Map by Gintas Kvietkus, 2026–2027. Courses by Edgaras Voveris.

Map scales: 1:10,000 and 1:7,500; contour interval: 2.5 m.
Expected winning time: 35–45 min.

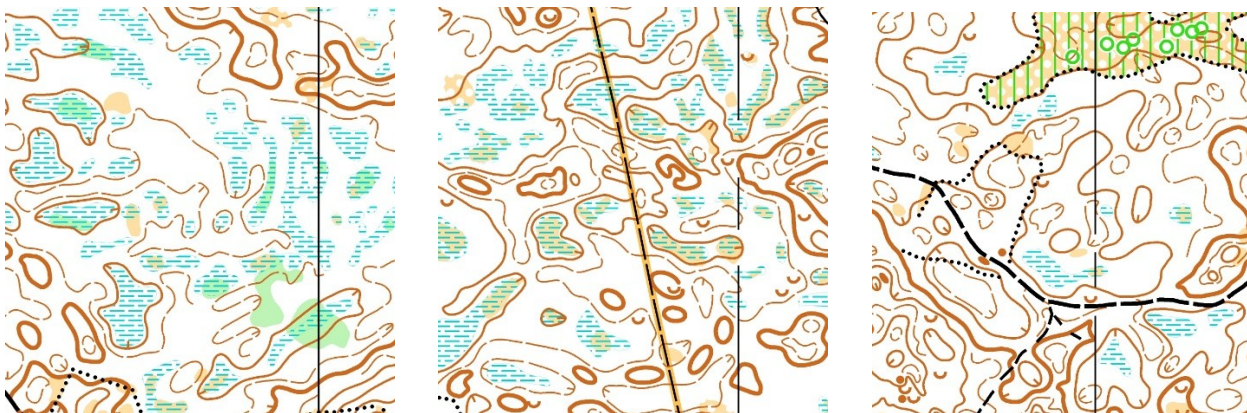

Stage 2, Čepkeliai (Event Centre coordinates: 54.019784, 24.412606)

Middle Distance. The terrain features diverse landforms and a distinctive landscape, with many small, remarkably similar dry marshes adding an extra level of interest and navigational difficulty. Beautiful pine forests, stunning Dzūkija scenery and engaging orienteering challenges promise a memorable experience for every competitor! Best of all, the area is right next to the famous Čepkeliai Nature Reserve educational trail.

Map by Gintas Kvietkus, 2025; updated in 2027. Courses by Edgaras Voveris.

Map scales: 1:10,000 and 1:7,500; contour interval: 2.5 m.

Expected winning time: 35–45 min.

Stage 3, Marcinkonys. New map: “Meškos šikna” marsh (Event Centre coordinates: 54.059324, 24.420187)

Extended Middle Distance. A marsh with an unforgettable, intriguing name – and terrain that is just as distinctive!

The varied forest surrounding the marsh and the constantly changing terrain will add even more variety and exciting challenges to this three-day orienteering event.

This new area, never previously used for orienteering competitions, features forest with varying runnability and diverse landforms – ideal for a technically challenging Extended Middle Distance course.

Another advantage is its location right next to the campsite at Lake Kastinis!
